

Christmas Song Lyrics (002). Can you identify the well known Christmas song or carol from the images below?

*For when they placed it
on his head
he began to dance around*

(1)

*When a poor man
came in sight*

(2)

*Oh what fun
it is to ride*

(3)

*Ring out those
bells tonight*

(4)

*And man will live
for ever more*

(5)

*You will get a
sentimental feeling*

(6)

*Think of all the fellas
that I haven't kissed*

(7)

*The rivers and
the hills,
the forests and
the streams*

(8)

*Now bring us
some figgy pudding*

(9)

*Field and fountain,
moor and mountain*
